More information

FEATURES:

Discus Vitamins is a premium conditioner specially formulated to provide the nutritional requirements for discus fish.

It is rich in nutrients, vitamins, and essential minerals to support healthy growth and contains β -Glucan, a polysaccharide that notably strengthens the immune system of fish. Additionally, it contains important vitamins such as the B-complex (B1, B2, B6, B12), vitamin C, A, D, E, among others.

This supplement offers many advantages to discus fish: a healthy metabolism, high resistance, and quick recovery from illnesses, including those related to improper feeding. It prevents skin darkening, scoliosis, and head hole formation.

Main components:

Multivitamins, β -Glucan, Vitamin B₂, Sodium Citrate, (NaH₂(C₃H₅O(COO)₃), Potassium Sorbate (C₆H₇O₂K), Distilled water.
